Alcohol and Drug Program Administration

SUBJECT: **FUNDING AUGMENTATION FOR BEHAVIORAL HEALTH SERVICES, INC.,  
CONTRACT NO. H-801602**

This is to inform you that we plan to implement the adjustments and reallocations provision for our agreement with Behavioral Health Services, Inc. This provision allows the Director of Public Health or his authorized designee to augment funds up to 15 percent of the contract's budget.

I am recommending this funding augmentation to enable the agency to expand services. Alcohol and Drug Program Administration is proposing to augment the contract as indicated in the following attachments.

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

### Outpatient Counseling Services (Prop 36)

Alcohol and Drug nonresidential Services are alcohol and drug treatment and recovery services which are provided to clients referred under the Proposition 36 program, in a drug-free, non-drinking environment. Services are directed towards alleviating and/or preventing alcohol and drug problems among individuals, or participants, which does not require residency at a provider's facility as part of the treatment and recovery process. Services include crisis intervention, counseling, and client referral services. Participants may be referred for appropriate medical detoxification services, residential and recovery house services, methadone treatment program services, psychiatric services, or other treatment services. Duration of any participant's treatment does not exceed twelve (12) months without the prior written approval of Alcohol and Drug Program Administration. Additional specific services are provided in accordance with the Treatment Program Procedures for Proposition 36 participants. Participants receive a minimum of two (2) units of service per week. An individual unit is a fifty (50) minute face-to-face visit and a group unit is a ninety (90) minute session for a minimum of four (4) to a maximum of ten (10) individuals to receive services. Additional specific services, in accordance with the Treatment Program Procedures for Proposition 36 participants, are also provided.

### Residential Medical Detoxification Services (Prop 36)

Residential medical detoxification services are services directed towards the care and treatment of clients referred under Proposition 36 suffering from the toxic effects of alcohol, narcotics and/or dangerous drugs. These services are conducted within a facility licensed and approved by the State of California, Department of Alcohol and Drug Programs (SDADP) in accordance with current federal and State standards for medical detoxification facilities. Clients who require emergency medical treatment for physical illness or injury are transported to an appropriate medical facility, the cost for which as well as the cost of emergency medical care are not billable under the County contract. Contractors have a written agreement with a licensed medical facilities in the community for provision of emergency services as appropriate. Contractor must comply with all federal and State statutory requirements and regulations, concerning the storage, prescription, and administration of narcotics or restricted dangerous drugs. The mandatory services under the residential medical detoxification services program include physical examination and history within twenty-four (24) hours of admission including drug screening (urinalysis); a physician available (on call) twenty-four (24) hours a day, seven (7) days a week; the attending physician must visit the client at least every forty-eight (48) hours; progress notes shall be recorded at least twice a week; appropriate standards of medical practice must be employed; availability of twenty-four (24) hour daily nursing care according to Title XXII, California Code of Regulations ("CCR"); medications as prescribed by physician; room and meals; psychiatric consultation; regular case conferences to monitor client's progress; counseling services to detoxification clients on the problem of recidivism; aftercare planning in consultations with the client receiving care to include information on appropriate social services; notification of the appropriate referral agency when any client is considered for discharge; and shall include in the client's chart any information on discharge plan; and referral of homeless clients to appropriate residential detoxification and residential drug free programs, and to social services and mental health programs for other services. Additional services are also recommended to ensure client's proper care. Additional specific services, in accordance with the Treatment Program Procedures for Proposition 36 participants, are also provided.

### Residential Services (Prop 36)

Alcohol and drug residential services are twenty-four (24) hour residential programs where recovery services are provided to persons referred under the Proposition 36 program. Program participants are involved in no less than six (6) hours of planned treatment and recovery activities per day under the supervision of trained staff. A basic core of residential alcohol and drug services include, but is not limited to, intake and comprehensive assessment of participant's physical and emotional health; recovery and treatment planning and an intensive residential stay, including room and meals; individual, group, family, and collateral counseling in accordance with the participant's needs; availability of self-help groups; social and recreational activities for residents; referral to vocational counseling, training, skills development; and any other service deemed appropriate for contributing to participant's rehabilitation, including residential detoxification and to social services and mental health programs; exit planning to ensure that participant has support in recovery, including transition to community services; and follow-up on former participants. Additional specific services, in accordance with the Treatment Program Procedures for Proposition 36 participants, are also provided.
